SADHU SUNDAR SELVARAJ At age 16, Sadhu experienced a supernatural encounter with the Living Christ. Since 1979, Sadhu has preached the Gospel bringing the healing power of God to more than 55 nations. In 1983, he started teaching the people of Nepal and Tibet about the Lord. Sadhu founded Jesus Ministries, fulfilling a call of God to pioneer evangelistic outreaches to the world. His television network, *Angel TV*, reaches six continents with 12 channels in 8 different languages. He is graced to prepare the way of the Lord for His Second Coming.

Brother Sadhu, as he is affectionately called, is the author of 17 books. His life and ministry will provoke, encourage and teach you the fear of God and to walk intimately with Christ Jesus. In 2015, the moment Brother Sadhu's feet touched ground in the Houston Texas airport he heard the Lord say in a still small voice that this place will be devastated by floods. As we know Hurricane Harvey fulfilled this prophecy.
