INTERNATIONAL BROADCAST CENTER FOR THE NATIONS

AN END-TIME PROJECT FOR THE LAST DAYS

THIS IS MY CHANNEL!
THIS WILL BE MY VOICE
UNTO THE UTTERMOST PARTS OF THE EARTH.
Throughout my life, I have experienced certain awesome moments of spiritual destiny when the Lord God spoke to me in unmistakable ways, giving clear directives for His purposes to be established. Some of these moments are:

1. November 1983 – God spoke to me to go evangelize Tibet and Nepal to prepare His Bride for His coming.

2. January 1991 – God spoke to go to the nations to be His prophetic voice and prepare His worldwide Body for His coming.

4. August 2000 – God spoke to establish a 24/7 television channel to reach the uttermost parts of the earth.

5. December 2005 – God’s channel, Angel TV, was launched.

6. 2008 – 2013 – Twelve TV channels were established – from one end of the earth to another – in eight different languages.

7. December 2015 – God spoke to build Him a place from which to broadcast His Voice and for the display of His Glory - Jeremiah 25:30.

Though at times quite hesitant, yet I stepped into my destiny and have labored to fulfill God’s purposes and call. Like the prophet Moses, my hesitance was mostly because of my inadequacies and lack of knowledge, understanding and training. But our good God has been gracious and merciful to promise: “I will go with you on your journeys.”

Of all the tasks the Lord has given me, I was most hesitant to fulfill the creation of the television ministry. And yet, the Lord, like a wise Master Broadcast Technologist, graciously and patiently taught me the nuts and bolts of everything I needed to know. It is HE who established the twelve channels. I was just His servant doing the Master’s bidding.
On March 3, 2007, while on a 40-day fast, I saw a glorious and magnificent Angel, flying majestically, stand in mid-air near my room. He had a beautiful scroll in his hands.

When he unfurled the scroll, I saw the words “ANGEL TV” written at the top. On the scroll I saw a beautiful master-plan of a building. I then saw the words, “You must build this place for God’s glory to come and abide in it.” The Angel further said, “Look at this building plan carefully and keep it in your heart. When the Father’s time comes to build it, I will come to visit you again.”

Years passed. Angel TV functioned out of a small facility in Chennai, India from 2004 till now. Disaster struck in November 2015: Chennai was flooded by torrential rains that lasted for several weeks!

Many precious partners called us to enquire how we and the Angel TV studio were doing. I was ministering in Vietnam when the rains were lashing angrily at Chennai. So I called our studio to enquire about the situation there. My staff sent me pictures and a report of the situation.

I was shocked when I saw the pictures. Six inches of water flooded our studio and caused permanent damage to the main studio’s chromakey wall. An editing room and the UPS power room were flooded with two feet of water. Our technicians worked around the clock for two months pumping the water out.

I was heartbroken by this report. Furthermore, it was the grace of God that protected the UPS power room from exploding or catching fire due to contact with water.

I bowed my head in Vientiane, Laos and asked, “What shall I do now, Lord?” The Lord’s response was a defining moment of destiny for me. He replied, “Move out! The time has now come for you to buy a piece of land and build a permanent building.”

Excited by the mandate, I called my staff and instructed them to search out a suitable piece of land. From Vietnam I travelled to Myanmar for ministry. While praying about this project, I suddenly remembered the vision of 2007 when the Angel told me that when the time comes to build the building, he would come again. So how could I now embark on this project without the visit from this angel again? I put on the brakes and waited.

On the morning of December 4, 2015, during a ministry trip in Myanmar, I felt a presence on my right side. When I opened my eyes, I was pleasantly surprised to see an Angel. His first question was, “Do you recognize me?” Seeing his smiling face I said, “Sure I do,” I replied. “You are the Angel who brought me the plans for Angel TV’s building in 2007.” He smiled and said, “I have been sent by the Father to tell you the building plan has been approved. You will be given the resources and help to complete it.” I was elated by this and set to work on the project right away.
As I was waiting on God on Christmas morning 2015, an Angelic Being from heaven visited me. I was fervently and sincerely praying for God’s direction and plan concerning how the building fit for God to come and abide should be designed. This Angelic Being gave me the design as it is in heaven, similar to how the prophets Moses and David received to build the tabernacle (Ex 25:40) and the temple (1 Chron 28:11-12).

"The Lord roars from Zion (Angel TV), and utters His voice from Jerusalem (Chennai)" (Amos 1:2)
“Build Me A Place…”

“...Where the **LAST DAYS’ ARMY** of the Lord is prepared for the End-Times!”

The Jesus Ministries Headquarters will also include a state-of-the-art Convention & Prophetic Training Center. People from all over the world will come to learn the ways of God, the deeper mysteries of God, and to see the awesome power and glory of God demonstrated.

Only now do I understand a vision I vividly saw in November of 1983. I saw myself in a prayer meeting. Suddenly, I saw the saint Sadhu Sundar Singh come and stand outside the prayer hall. I ran towards him to get his blessing. He bowed to bless me, then lifted me up and made me sit on his shoulders. When I looked down, I was shocked to see that I was now seated on the shoulders of the saint John the Baptist.

Still carrying me on his shoulders, John the Baptist began to walk into a dark forest. A ball of light went before us lighting the way. After walking for a while, he stopped in a certain place and let me down. To my right I saw a huge, well-lit cave. In it I saw the Lord Jesus seated on a boulder. He was surrounded by many children. I knew then that this was some kind of a training center. Now, finally, after 33 years I know what this vision meant—God wants me to set up a training center where the Lord Himself will come to teach, train and prepare His people (Mic 4:2).

**A. TRAINING CENTER** – based on the end-time prophecy of Joel 2:28, training in the following areas will be regularly conducted for children, youth, senior citizens and ministers:

1. To train, prepare and raise up **God’s Army** to wage warfare against Satan in the end-times (Rev 12:7-11). Details about Satan’s vile strategies and cunning will be taught.

2. To teach, train and prepare **God’s Warriors** to know who they are in the Lord, and their ways and laws for the end-times.

3. To teach, train and prepare **Martyrs** for the end-times (Rev 6:9-11)

4. To teach, train, prepare and mentor **Prophets** for the end-times. The last days Prophetic Company is going to be different – their spiritual experiences and the mighty works they will do are going to be awesome.

5. To teach, train and prepare Pastors to establish prophetic churches so that they will know how to bring in the last days’ harvest into God’s kingdom and how to nurture the believers to become mature sons of God.

**B. CONVENTION CENTER** – seating 2,500

1. To regularly conduct Prophetic conventions and conferences which will be televised live on all Angel TV’s channels.

2. The **Gospel of the Kingdom** will be preached in this place and televised live to all the world as a witness to all nations, languages, and people groups (Matt 24:14).
“Build Me a Place…”

The Era of the Prophets has begun!

The Training Center will be equipped with auditorium/theatre seating, individual classrooms and accommodations. It will be outfitted with the most advanced technology available.

We will bring in outstanding true prophets of God from around the world to teach, train and impart. This is not your ordinary kind of Bible School. This is a Training Center of the Spirit kind where you will be brought into the glory presence of God to be taught by the saints and angels in glory.

During a recent 40-day corporate fast involving all of the Angel TV staff, many of them experienced being caught up to heaven. There, they were taught by the Lord, the Saints in glory and even by the Angels.

This was how the prophets Moses, Elijah and John the Baptist were taught.

The last days’ prophetic generation will be taught, trained and mentored to work together with heaven for the end-times (Heb 11:40, Isa 54:13). The prophet Moses worked together with heaven when he was shown the pattern for the tabernacle there; the prophet Elijah worked together with Angels (1 Kg 19:5-7; 2 Kg 1:3,15); the Lord Jesus worked together with Saints when the prophets Moses and Elijah came and spoke with Him (Lk 9:30-31).

World-Class Broadcast Center

A state-of-art future-ready 5 storey world-class broadcast center – the heartbeat of Angel TV will include 4 studios, 24 video editing suites, 4 audio editing suites, a master satellite center and will also include Jesus Ministries’ administrative offices.

Come, Fulfil Your End-Time Destiny!
COME LET US BUILD TOGETHER A LEGACY!

The architectural construction firm whom God has called to work with us on this project has estimated a budget of US$35 million. This amount includes the purchase of a 10-acre land, building construction costs and new broadcast equipment costs.

During our recently concluded 40-day fast, the Lord mandated me to begin groundbreaking works in this year—2016.

Will you come forward to have a part in this end-time prophetic work? By sowing into this project you will have a righteous inheritance in the Lord and prepare a generation that will prepare the way of the Lord in the end-times.
